

Newtown Public School Athletics Carnival Tuesday 20th June, 2023

Lunch Pre-Order Option for Students

The NPS P&C are proud to partner with local family businesses to provide students the opportunity to pre-order their lunch for the June 20th Athletics Carnival.

Pizza Piatsa Café Erskineville will supply pre-ordered pizzas, and **Golden Lotus Vegan Eatery** will supply delicious pre-ordered churros. Also, for everyone to enjoy on the day, **Woolworths Metro** Park Sydney Village are kindly donating some fresh fruit.

Please note, a lunch pre-order is completely optional! Students can of course bring their own packed lunch if they prefer.

Pre-ordering closes Friday 16th June, 3pm

Submit your Pizza order & payment <u>here</u>
Submit your Churro order & payment <u>here</u>

One last thing! For carnival volunteers and families coming to spectate, **Mizuki Sushi** (Park Sydney Village) is offering 10% off your dine-in food bill during the day on June 20th. Pop in for a delicious bite to eat anytime from 11am.

Additional Notes:

- If you have more than 1 student attending the carnival, you'll need to submit a separate order for each student, as lunch times vary according to age group.
- On the day of the carnival, P&C volunteers will manage the distribution of food to those who have preordered. Students will be given directions from staff on the day around how and where to collect their order.
- If you submit a pre-order but your child is unable to attend on the day, you may cancel your order any time before 10pm the night before for refund. Any on-the-day cancellations cannot be refunded. Please notify P&C Secretary (secretary@newtownpandc.org) of any cancellations, in addition to informing the school of your child's absence.
- If the Athletics Carnival is rescheduled due to poor weather, we will proceed with the pre-orders as planned; we'll simply have them sent to school on June 20th instead of the oval.
- Due to the scale of this event, we regret we are unable to provide any variations around allergies or intolerances.
- Whether pre-ordering or not, all students should make sure they have enough food and water for the whole day.
