From the Principal

The last month of the school year is an exciting and jam-packed time of year. Our teachers and students are currently focused on end of year assessments and report writing, in preparation for establishing learning goals for 2023. Teachers and student leadership departments have also been collaborating to design opportunities and experiences that will allow us to revel in **all things creative** during the Week 8 **Festival of Creativity (28th Nov – 2nd Dec)**. I can't wait to share in this celebration of creativity, collaboration, and curiosity with the Newtown PS Community as a culmination of our learning throughout the year. I hope you can join us at several points over this week of celebration for some visual arts, music, drama, and dance. Congratulations to Oliver R-C and Arlo T as well as Persephone for creating their visually inspiring winning program covers for this year's festival program.

Congratulations to Jessica L in Year 1 on her incredible achievement at the NSW State Championship Competition where **she received a gold medal for her Rhythmic Gymnastics, and a silver medal for Ball**. Jessica is now a Level 4 gymnast in both Artistic Gymnastics, and Rhythmic gymnastics which is quite an achievement for a 7-year-old! I would also like to acknowledge both Calliope and Persephone for their exceptional contribution to the **MindQuest program**. They have both been awarded certificates of Achievement for their high-level thinking. Well Done!

Congratulations also to Lucy White who has been successfully appointed permanently as Teacher Librarian at Campsie Public School from the beginning of 2023. Lucy has been a valuable member of our teaching staff for the past four years and we wish her all the best for her first permanent role at a new school. Ms Winnie Mak will join the Newtown Public School teaching team for 2023 as our new permanent Teacher Librarian. We look forward to welcoming Winnie to the team.

Next Monday, we will hold our **2023 Student Ministerial Elections** with an impressive 21 candidates. This year we have again asked candidates to consider what strengths and evidence of these strengths that they can bring to a leadership role in our School Parliament. I am impressed by the bravery, perseverance, and organisation they have shown in putting themselves forward for consideration and completing the application process. These candidates should all be proud of their efforts. I look forward to hearing their speeches and to working with these future leaders in 2023.

From the Principal

At this time of the year, **students and teachers are beginning to focus on preparing for the year ahead**. Our Year 6 students will have the opportunity to attend orientation days at their prospective high schools during Week 8 to find out more about what is ahead for them in 2023. We have also had the opportunity during the Moving Up weeks to again welcome our Kindergarten 2023 students as well as new students coming to Newtown from other schools. Teachers will be talking with their classes in the coming weeks about their hopes and concerns for the year ahead, and strategies and strengths they can draw on to help them manage change. Please continue to take some time over the next few weeks to check in with your child about these conversations and activities at school to support them with this change.

Finally, each year the NSW Department of Education Metropolitan South Directorate, invites nominations for staff in schools who have demonstrated excellence in the education of our young people and commitment to their school communities. **Big congratulations to our fabulous General Assistant Lou**, who received an award this year for his commitment to the pursuit of excellence through his contribution to our school community. We are all proud of your achievement and grateful for all that you do to make Newtown Public School great!

Finally, **a huge congratulations to our Teaching Team** who have chosen one of the most important professions in our society. Today we celebrate World Teachers' Day and take a moment to appreciate the valuable contribution teachers across the world make to the shaping of society and the growing of our global citizens. They are our future! Thank you for your expressions of gratitude and for so beautifully expressing the value our teachers have in the Newtown community.

Have a wonderful weekend and see you at the Festival of Creativity.

Helen Campbell
Principal (relieving)

NPS P&C Update

2022 was another big year for our school. I would like to share with you some of the key areas that the P&C have been involved in over the last 12 months, as well as acknowledge the many people in our school community who contribute to the successful running of and thriving of the school.

The school's P&C has an important role in helping the school. Our four main strategic priorities are **community, fundraising, sustainability, and partners in learning**. The P&C helps the fantastic team of staff, led by the amazing Helen Campbell, who educate our children, engage our children and help them grow.

Participation on the P&C is a huge investment for everyone involved and I'd like to take this opportunity to thank Members, parents and school staff alike for their enthusiasm and commitment.

I would like to personally thank the hard-working members of the P&C executive: Paul Clarke, Emily Deller, Emily Mathey, Tanja Mijan, and Megan Werner for their hard work and dedication.

On behalf of the P&C I would like to extend our gratitude and best wishes to the executive members who will be stepping down this year – Emily Deller and Megan Werner. Thank you! You have contributed so much to NPS over the years, and we appreciate your efforts.

I would also like to thank Anna Kidson, our honorary executive member. Thank you for your tireless efforts behind the scenes.

CHRISTMAS TIME

with NPS P&C

TEACHER & NPS STAFF GIFT DONATIONS

Every year the P&C organises an annual collection to say **'THANK YOU'** to all of Newtown Public School's teachers and staff.

The collection aims to ease the mad rush at the end of the school year and teachers and staff not getting multiples of the same gift .

If you are able to contribute please **CLICK HERE** to donate. You can donate right up until midnight **FRIDAY 25TH NOVEMBER.**

ALL AMOUNTS DONATED ARE KEPT STRICTLY CONFIDENTIAL.

Please go to the NPS Events page for more information about the P&C Gift Donations.

NPS P&C Update

Over the last 12 months we have celebrated many achievements.

- We hit the ground running on the first day with a new “Together we Grow” Banner, so that students can measure their heights each year and see how they grow!
- We sold Team Spirit kits (House t-shirts; swim caps; Harmony Day shirts) to celebrate teamwork, sportsmanship and community
- We held a morning tea so that Kindy and Stage 1 parents and carers could get to know one another
- We held an Election Day Extravaganza and raised over \$7000 through a cake stall, raffle, sausage sizzle and book stall
- We held a second-hand book sale and then donated the remaining books to Cooeee Roundup, who ensure that all Indigenous children have access to quality reading books
- We purchased musical instruments for the playground, new library furniture, new iPads, and a visual depiction of Newtown Public School’s Strategic Improvement Plan 2021-2024.
- We have ordered 100% cotton uniform t-shirts from Pickles, which will be great for hot days and kids with sensitive skin.
- We held a Partners in Learning event on reading and spelling.
- We celebrated Primary Principal’s Day with gifts and cards for Helen Campbell
- We celebrated World Teacher’s Day with morning tea and gifts for our fabulous teachers
- We held afternoon picnics for Kindy and Stage 1 families
- We started a petition to improve street safety for the children in our neighbourhood
- The online SHUS has continued to achieve our sustainability goals by keeping large quantities of clothing from landfill whilst also raising money
- We are in the process of organising school tea towels, end of year gifts for NPS staff and Christmas tree sales.

Thank you to all of the parents and carers who contributed to these events, through planning and coordination and turning up to these wonderful activities. Also, to the teachers and support staff at every level of Newtown Public School, thank you. Your dedication, kindness and caring for our children is the reason we see our kids grow and thrive throughout their school journey. And a big thank you Helen Campbell for your leadership of the school. It’s a challenging job and you continue to amaze me with your ability to cope with change.

CHRISTMAS TIME *with NPS P&C*

NEWTOWN PUBLIC SCHOOL TEA TOWELS

This is our annual fundraiser of commemorative tea towels. They are a wonderful keepsake and also a great Christmas present for extended families.

Each Newtown Public School student has drawn a self-portrait and they are beautifully laid out in their **2022 class**.

Orders can also be placed for 2021 Tea Towels.

Please place your orders via TryBooking:

<https://www.trybooking.com/CDWJY>

Tea Towels are limited so get your orders in quick!

ORDERS CLOSE FRIDAY, DECEMBER 2.

LEADERSHIP

CHARACTER STRENGTHS

Together we grow

WHAT IS LEADERSHIP?

LEADERSHIP means you can encourage a group to get things done in a way that is peaceful and everyone feels included. It means you do a good job or organising activities. If you are growing **LEADERSHIP** you might try and inspire others by being respectful and confident in a group situation.

WHAT DOES IT LOOK LIKE IN OUR CLASSROOM?

- We listen to other people's points of view while ensuring things get done.
- A teacher needs everyone's attention and we are able to get students to listen in a calm way.
- We are fair when we are deciding what to do as a group, always listening to each person.

WHAT DOES IT LOOK LIKE ON OUR PLAYGROUND?

- We come up with a game and can organise others to play it in a respectful way.
- Even though people are drawn to you, you don't have to always be the boss and controller of the games that are played. Instead you lead with fairness, making sure everyone has their say.

about Grow
Your Mind here
© 2022, Grow Your Mind

As part of our **School Wellbeing Framework** and our whole school **commitment to positive education**, we focus personal development programs on encouraging the **development of a growth mindset and strengths-based approach to learning**. Each week we focus on a different set of character strengths and how we can build skills in areas of challenge and use our strengths to engage in activities that keep us energised and connected.

LEADERSHIP MOTTO

**Inspire others to dream more,
learn more & become more**

JOYFULNESS

CHARACTER STRENGTHS

Together we grow

WHAT IS JOYFULNESS?

JOYFULNESS means we are filled with happiness, peace and wellbeing and love. It means you live life with a sense of excitement, anticipation, and energy. If you are growing **JOYFULNESS** you might start appreciating more of the things around you and this showing in nearly everything you do.

WHAT DOES IT LOOK LIKE IN OUR CLASSROOM?

- When we have a setback, we still have a sense of life being very good.
- Whatever we are doing we are enjoying them fully.

WHAT DOES IT LOOK LIKE ON OUR PLAYGROUND?

- Even when we are playing a game we aren't mad about we can tap into the **JOY** within us.
- We smile and take delight in playing with everyone around us.

Enjoy every moment

LIBRARY NEWS

END OF YEAR RETURNS

This week wrapped up our borrowing for the year. We appreciate your support in ensuring all library resources are back at school by Friday the 2nd of December (Week 8), so that we can commence our stock take in Week 9. Next week, students will receive a notice with any current loans listed, to make the process of finding and returning these books easier. There will no doubt be a few books that have gone missing, so here is a handy list of a few common places our library books like to hide:

- on a bookshelf at home or in the classroom
- in the car
- under/behind/inside a couch or bed
- in a sibling's bag or bedroom
- at the Kid's Cottage

Library classes will continue, and students will still be welcome to come to the library at lunch during Weeks 7 and 8. Stage 2 and 3 students will continue to have access to the Wheelers eBook and audiobook platform, including over the holiday period.

WHEELERS EBOOKS & AUDIOBOOKS

Stage 2 and Stage 3 students have access to the Wheelers eBooks and audiobook through their student portal, or by heading straight to <https://newtownps.eplatform.co/> and logging in with their school sign in details. This will still be available once borrowing has ceased for the library, as well as over the summer holidays.

CLUB READ + BETTER READING GUIDE

As we move into the gift-giving season, please keep in mind that if you mention Newtown Public School with any purchase at Better Read Than Dead, you can earn credit for our school through their Club Read rewards program! Their Summer Reading Guides contain some great gift ideas!

https://issuu.com/betterread/docs/summer_reading_guide_kids_2022

https://issuu.com/betterread/docs/summer_reading_guide_2022

Happy reading!

Lucy White
Teacher Librarian

MINISTERIAL CANDIDATES

Meet your 2023 Minister Candidates

and hear what they would do if they
are voted to be your
2023 Student Leadership team

MINISTERIAL CANDIDATES

Ariana

I would help my department collaborate and feel good about what they have accomplished, so that we produce high end results.

Ayden

I would help my department understand and learn what we do. I would also try my best to get people to understand the school rules whilst helping everyone fit in to school.

Claude

I would lead my department through the year, and give everyone an equal voice, so that my department could have an opinion in how the school is run.

Eliza

I would be good role model, show organisation, and be kind by helping all my peers, and be respectful by showing my six Ls.

MINISTERIAL CANDIDATES

Ez

I would listen to suggestions, as long as it's in my jurisdiction so that Newtown Public School can be an enjoyable place for everyone.

Gorgi

I promise to do my best every day and continue to be my honest self. I will listen, I will be helpful, I will be organised, and I will work hard to turn great ideas for NPS into a reality.

Grace

I would show leadership by inspiring others to be themselves, leading by example and not being a boss. Keeping people safe and caring for them, taking on responsibilities with rigour, taking my learning at school seriously and maintaining my respectful nature at school.

MINISTERIAL CANDIDATES

Holiday

I would help my department and other departments achieve their goals because when stuff happens at this school, it's great.

Coming together is a beginning; keeping together is progress; working together is success. At NPS we are a community, we stick together as well as the Departments.

Isabelle

I would explain everything as clearly and to help anyone who needs it, so that everyone has a part in the department, not just the biggest voice. This would make sure everyone feels connected in this space and that you actually want to be there.

Jiva

I would help and lead my peers whenever they need it, I will approach all ideas with a positive attitude and will help our community thrive for a better future.

Jonah

I would set a good example for those around me, listen to everybody's ideas, and would treat everyone equally, so that you can have a say in what the school does. Along with all of that I would also be prepared to avoid last minute drama so that NPS can become a very organised school.

MINISTERIAL CANDIDATES

Jo

I would give everyone a voice so that I could work together with my department to achieve top goals so that our department would be confident, creative, and resilient.

As a proud Wiradjuri boy, I would lead the Aboriginal and Torres Strait Islander Department with strength and confidence, I will be brave and stand up for the suggestions and changes you want to see for our school, so that our school is great place for all students and our teachers where diversity is valued, and everyone is supported to participate in our school community.

Lachlan

Leo

I would make sure all students in a department have a job to do, so that everyone feels like they actually do stuff in their department and that being in a department matters more than what colour of badge you have.

MINISTERIAL CANDIDATES

Maggie

I would help those in need and put sensible ideas forward into conversations with my other department members, so that we can talk openly about what we need to do. So that all department members can hear everyone's ideas.

Maya

I would work with all of my peers, and I will collaborate with other departments so that everyone feels like you don't have to be the Minister or Assistant Minister to have a role in our department.

Nikola

If I was elected as a minister, I would lead everyone to success and help them grow into great people so that we have a great generation of beautiful people.

Otto

I would always be kind and collaborate with my department, my assistant minister, the other ministers, staff, and the teachers to make sure everyone's ideas and opinions are heard.

MINISTERIAL CANDIDATES

Tino

I would raise people's spirits when they're down and improve your ideas and make some of them true. I will also use my free time to help the school so that every person has a voice.

Willow

I would make sure that everyone's ideas are heard and appreciated so that they get more confident in their ideas. I would always have a positive attitude towards everyone's learning.

Zavier

I would show leadership by bringing zest to the role and not let members of my department get bored. I can also bring teamwork by working with my department instead of bossing them around.

**EARLY
STAGE 1**

STAGE 1

**Celebrate
learning
at NPS!**

STAGE 2

STAGE 3

EARLY STAGE 1

Kindergarten have showed lot of creativity and love of learning in the last few weeks. We have continued to develop our writing with the use of quality literature, focusing on books to entertain and informative us. Ms White and Kindy have also been focusing on responding to texts by engaging in drama games. In maths, we have been focusing on our number fluency and ways of sharing items equally. We have been continuing to focus on special places around us and how they are special to us. Kindy have been experimenting with different forces. We have designed paper planes and leaf boats to see how things move with the force of air. We are in the process of designing and making our marble runs. We can't wait to share these designs with you.

LIGHT BULB

SPECTACLES

STAGE 1

In Stage 1, students have been busy practicing their dance and getting their artwork ready for the Week of Creativity showcase. In English, students have been consolidating their writing skills by drafting, editing, and publishing. It has been pleasing to see so many students improve in reading over the past few weeks and applying feedback. In Geography, students have been working in class and library time to research a local landmark and its significance and importance to them. Creativity is also evident in their science unit whilst they are making their musical instruments.

SEA GLASS
MAGNIFY

OBSIDIAN
TEKTITES

STAGE 2

Stage 2 have been drawing upon all our creative energies and talents to prepare for the Festival of Creativity. From dances to drama and visual arts, we are having the best time! In mathematics we're focused on fractions and the study of chance and probability. Communicating and representing our mathematical thinking in multiple ways has been key. We continue to study cause and effect in English, Science and HSIE. The end of year brings our community together with so many wonderful celebrations and we cannot wait for all the fun and festivities.

RUBY GLASS

KALEIDOSCOPE

MOSAIC

MURANO

PRISM

STAGE 3

Stage 3 have been very busy getting ready for the Festival of Creativity through continuing to rehearse our dances. Our creativity has stepped up a notch with the creation of puppets as part of our drama unit. In mathematics, we have explored multiplication and division of fractions and have moved into decimal numbers. We have enjoyed identifying patterns, reasoning, and playing games to consolidate our knowledge. Our Writer's Notebook has continued to be an exciting part of our writing through allowing us to select our own text types. Book Club discussions have continued to be an exciting way to go deeper in our comprehension of texts. We are all really excited for the events that are coming up for the end of term.
