

NPS P&C Aims & Strategic Focus 2021-2024

The Newtown Public School P&C aims to enrich the work of Newtown Public School **through collaboration between the school community and the Principal, school leadership team, teachers and students.**

We support the integration of the 6Cs of 21 Century Education to enable students to excel in Communication, Critical Thinking, Collaboration, Creativity, Citizenship and Connectivity, within an innovative and collaborative community that encourages curiosity, optimism and mutual respect. We want every student to connect, succeed and thrive.

The P&C will embed strong governance, operational effectiveness and financial resilience in all their activities.

Aims of the P&C

The Newtown Public School P&C Association seeks to provide an open an inclusive environment where parents and members of the community work together on the following:

- ◆ Collaborate: Support the school executive and teaching team.
- ◆ Communicate: Provide opportunities to learn about and have input on school policies and activities.
- ◆ Connect: Promote the interests of the school & students in the wider community.
- ◆ Fundraise: Raise additional funds for extra school resources.
- ◆ Community: Promote & facilitate social events for school community.
